PROXIMITY - PRIVILEGES - PRESTIGE

The Arizona Biltmore Golf Club is committed to providing its members and their guests a quality environment through a level of service which permeates every aspect of the golf experience. Our goal is to allow members to enjoy and entertain, relax and revitalize, as individuals, businesses and families. Members are provided the unique opportunity to relish in the mystique and memories of this historic golf property.

ADOBE COURSE

The par 71, 6,600 yard Adobe is a true parkland course that treats its patrons to generous, sprawling fairways, while challenging them with numerous, hungry bunkers. Set against the backdrop of the picturesque Phoenix Mountain Preserve and the far-reaching southern skyline of downtown Phoenix, the Adobe provides views as breathtaking as the course itself.

LINKS COURSE

The youngster of the Arizona Biltmore Golf Club courses, The Links Course has grown up nicely over the years and matured into another "can't-miss-out" golf experience. The par 71, 6,300 yard course provides rolling fairways, desert ravines and five shimmering lakes.

A combination of challenging desert golf mixed with cool pines and tranquil lakes, The Links Course is a bit rambunctious, providing both delights and demands for even the most seasoned player.

ONE MEMBERSHIP WITH FIVE COURSE OPTIONS

Inclusive to all Biltmore memberships is a reciprocal membership at the 54-hole Wigwam Golf Resort. Located about 30 minutes away in Litchfield Park, The Wigwam's three championship courses allow for diversity in your membership unmatched by any other golf membership in the Valley.

GOLD

RED

BLUE

The Wigwam was established in the 1920's, a time when golf courses did not get built through dense housing developments, and certainly not with tight, target fairways. Canals, streams and lakes cascade through the journey. The shadows cast on greens and bunkers are from majestic parkland trees, not multi-story resort buildings.

Here, the golf enthusiast has their pick of not just one or two courses, but three 18-hole courses – 54 holes of championship golf including two courses designed by the legendary Robert Trent Jones, Sr. And, in true Wigwam style, each course – The Gold, Blue and Red offers a unique challenge that adds spice and variety to one's stay at this timeless and relaxing retreat.
