## Jerry Colangelo

**One of the most recognized** community leaders in Arizona, Jerry Colangelo has firsthand experience with prostate cancer, as a survivor and as a believer in POP's mission.

After having brought NBA basketball and Major League Baseball to Arizona, Jerry was also the driving force behind establishing WNBA and NHL franchises in the Valley.

Jerry now serves on more than a dozen national and regional councils and foundations concerning education, leadership, youth development, arts and culture, athletics and commerce. He is also Chairman of **USA Basketball** and principal partner of **JDM Partners LLC**, the new owners of the **Wigwam Resort** and the **Arizona Biltmore Golf Club**.

We are very proud to have Jerry Colangelo on our life-saving team.

## The Tournament

**Sunday, May 3, 2020** (Arizona Biltmore Golf Club)

Sponsor/ Celebrity/Player Cocktails & Dinner, 5:30–8:30 pm

**Ron Wolfley**, *Arizona Sports - emcee*

Meet with celebrity team captains over cocktails, dinner and silent auction.

**Monday, May 4, 2020**, (Arizona Biltmore Golf Club) Registration/Continental Breakfast: 8:30 AM, Shotgun start: 10:30 AM; Awards ceremony/dinner

- Five-player (four amateurs, one celebrity team captain) scramble format.
- Prizes will be awarded to winners on each course.
- Challenging contests and Hole In One prizes await all players, who will be treated to a special tournament gift package.
- Specialty food and beverage holes throughout the tournament
- Lunch & beverages on the course, awards ceremony and dinner follows.

### **The Charitable Cause:**

*Net proceeds from this event benefit "POP" Prostate On-Site Project. POP provides free and low cost screenings with its two mobile medical facilities that travel the state of Arizona.*

*Gene Felker (founder of POP) passed away March 12, 2013. The foundation is continuing his mission of improving the lives of men and their families through early detection of prostate cancer.*

**This year in Arizona, more than 4,000 men will be diagnosed with prostate cancer.** Tragically, 600 of these men will die from it. Many of these deaths could be prevented—simply by detecting this silent killing disease early.
